Re: Audit of the Placement Report of the Post Graduate Programme in Management (PGPM)
Programme, 2018

Dear Sir,

CRISIL have audited the Placement Report prepared by SP Jain Institute of Management and Research (SPJIMR), Mumbai, for the final placements of students in the PGPM batch of 2018. CRISIL has validated the information provided in the report with the relevant documentation, and offers the following comments:

1. CRISIL have obtained all information and explanations as were necessary for conducting the audit. We believe the Placement Report complies with the requirements of Indian Placement Reporting Standards (IPRS) Version 2.2.
2. The validation of information presented in the report is based on communication received by SPJIMR from the recruiting companies. CRISIL has not independently sourced any information or documentation.
3. CRISIL have verified the information with respect to remuneration, job function and location presented in the report with communication received from recruiters. Information regarding compensation received from individual students has not been used.
   a. Data was not available for 08 students who sought placements through the institute. We have not been able to verify the status of the 08 students in the absence of required data.
   b. The information has been categorized as best as possible under various salary heads according to IPRS Version 2.2; where a break-up was not available, the salary has been considered only as ‘Maximum earning potential’.
   c. The acceptance of offer for 96 students out of 119 could not be verified.
   d. Employee Stock Option provided by the companies is excluded from the calculation of ‘Maximum earning potential’.
4. The number of students opting out of the placement process and students on sabbatical has been established through written communication from the students.

Thank You,

Best Regards,

Ms. Binaifer F. Jehani
