I am an experienced professional with over 4 years of work experience in the international tax consulting domain of Deloitte. Working in the capacity of Deputy Manager, I was exposed to international work environment through global clients, projects and stakeholders. I had the opportunity to work with people from over 50 countries – majority of whom belonged to the senior management and/or CXO level. I lead teams and managed client portfolios dominated by fortune 500 companies.

Apart from work, I perform spoken word poetry. Dogs, Driving, Music, Books, Poems and Stage give me my happy spot. I love to travel – both, with groups and solo; and I have a special corner in my heart for the beaches and sunsets.
