POSTGRADUATE MANAGEMENT PROGRAMME FOR WOMEN (PGMPW)

PLACEMENTS 2019
About the Programme

S.P. Jain Institute of Management & Research (SPJIMR) launched an innovative 11-month full-time Post Graduate Management Programme for Women (PGMPW) crafted exclusively for women who have taken a mid-career break due to social and family obligations and now seek to return to the professional workforce. This is the only programme in the world, which offers a full-time structured management training to returning women and enables them join corporate world at mid to senior management roles. This pioneering programme is supported by corporates through quasi-partnerships and offers personalised mentoring and training to prepare talented Indian women to return to leadership positions.

The first batch was inaugurated in 2017 and now two batches have graduated and are successfully placed in the corporate world. In less than two years of its launch, the programme has stood out for its unique design, intensive curriculum and wide-range industry partnerships.

The all-women class of PGMPW is a determined and hardworking group who are ready to make a mark as they return to take up leadership positions in the corporate world. The programme also helps corporates plug in their leaking leadership pipeline, bring diversity and hence draw from varied experience that returning women bring to the workplace.
