

- SPJIMR as an institution is noted for its mix of western efficiency and eastern ethos that focuses on creating an ecosystem to encourage performance with purpose. The **PGPM programme is a one year full-time residential programme preceded by 3 months of online learning**. It is approved by the All India Council for Technical Education (AICTE), and is accredited by AMBA and AACSB. In sync with its philosophy, the programme helps develop value based leaders with a keen business acumen.
- SPJIMR is one of the five Indian B-schools ranking in top 200 B-schools in the world in the recently released QS Global Full-Time MBA Ranking 2020.
- The PGPM programme aims at developing well-rounded, competent leaders who have rich domain and industry expertise along with being socially sensitive, grounded and innovative.
- The participants benefit from SPJIMR's globally acclaimed and award-winning value-based leadership modules such as **the Personal Growth Lab (PG Lab), the Development of Corporate Citizenship (DOCC) and the Science of Spirituality (SOS)**.
- The PGPM programme's **three-week International Immersion module**, held at top ranked foreign universities, aims to give the candidates a global outlook and helps them to develop competencies in their areas of specialisation.
- The Class of 2022 consists of 114 participants from diverse backgrounds. The participants have excelled in industry roles with work experience in top global companies. At SPJIMR, pedagogic initiatives leverage on the diversity and depth of each participant, thus adding to the cognitive content of the class. Each participant adds his or her unique perspective to the rich pool of knowledge.
