TRANSFORM YOUR BUSINESS LEGACY INTO A POWERHOUSE

PGP - FMB

HERITAGE AND LEGACY

As the next-gen in a family managed business, you are the recipient and also the creator of a legacy. How do you understand, preserve, bolster and transfer such legacy over time? SPJIMR's pioneer program for scions of family businesses - Post

Graduate Program in Family Managed Business (PGP-FMB) is designed to help you preserve and nurture the legacy of earlier generations and leave your own indelible mark in your family business for years to come. With a curriculum that is internationally accredited by the Association of MBAs (AMBA), U.K. and the Association to Advance Collegiate Schools of Business (AACSB), SPJIMR's PGP-FMB program is the perfect vehicle for you to discover your own strengths, as well as those of your family business. Become a socially sensitive business leader with a global mindset who takes his family business to greater heights.

A foreign immersion at a globally reputed partner school, with a multicultural classroom experience that will help you evolve as a global citizen.

THE POST-GRADUATE PROGRAM

The PGP-FMB program is designed to groom new entrants to family businesses in India and Asia to enable organic growth for self and their family business.

THE SPJIMR-FMB DIFFERENCE

- The oldest post-graduate program for family business scions in India, in existence since 1997
- Internationally acclaimed and among the top 10 B schools in India
- The oldest Indian program for family business scions -PGP-FMB
- Network with over 4000 FMB alumni across industry and 12,000+ SPJIMR alumni
- Interact and learn from distinguished faculty drawn from academia, corporate and entrepreneurship

- Look at own business differently with a solid general management foundation
- Experience a distinctive approach to understanding your family business through a mix of elective courses for a holistic business perspective
- Get mentored in business and family dynamics by experienced mentors from business and your own family

■ Understand and enhance family managed business skills by SPJIMR FMB's 4*3 unique KSA (Knowledge- Skills-Attitude) model relevant to family business
