About **SPJIMR**

Since its inception in 1981, SPJIMR’s mission has remained to ‘influence practice and promote value-based growth’ of students, alumni, organisations, their leaders, and society at large.

SPJIMR aims to do this by advancing wise innovation at scale through its teaching, thought leadership, industry & community engagement, shaping the innovation practices of thousands of participants across programmes, along with our corporate and NGO partners who rely on us for talent acquisition. We also influence a select number of high leverage entrepreneurial communities or ecosystems through our centres of practice.

A constituent of Bharatiya Vidya Bhavan, India’s visionary educational trust established in 1938, SPJIMR offers a broad portfolio of management programmes to individual participants and organisations.

SPJIMR is an AICTE-approved Tier 1 MBA institute accredited by The Association to Advance Collegiate Schools of Business (AACSB International) and the Association of MBAs (AMBA), UK.

SPJIMR’s two-year Post Graduate Diploma in Management (Online) programme is curated for working professionals, who wish to pursue formal management education without leaving their jobs and home locations. The programme equips participants with an integrated approach to functional management and related problem solving tools.
Programme Highlights

- The programme curriculum offers contemporary courses in functional management.
- Learn from SPJIMR’s faculty who come with extensive industry experience and are Thought-Leaders in their area of expertise.
- AICTE approved programme
- Choice of three micro-specialisations in Year II
- Sessions in Synchronous Mode with live interactive sessions with faculty
- Learning through Asynchronous Mode (Pre-recorded videos by faculty offering the course)
- Three Campus Immersions of 5 days each
- Academic support provided by Coursera (US based platform)
- Access to a strong, growing network of 15000+ alumni
- Career Guidance
- Heterogeneous peer group

Programme Objectives

On completion of the two year programme, the participants will be:
- Equipped to demonstrate effective problem-solving and decision-making skills in business situations.
- Innovative Change makers
- Proficient in establishing cross-functional strategies
**Learning Takeaways**

- Building leadership and teamwork skills
- Learning the ability to offer solutions to business problems
- Adopting an integrative approach to decision making Integrate cross functional learnings
- Choice of three Micro Specialisations with four courses in each specialisation
- Gaining knowledge through Experts from the Industry

**Flexibility Offered**

- ‘Pay by Term’
- Opt for three ‘micro-specialisations’ in Year II
- Opt for additional courses of interests by paying a nominal amount
- Complete the programme within 36 months
Preparing for **Career Transition**

Through various classroom and non-classroom learnings, the programme helps in building the following competencies which help in the career transition.

- Problem Solving
- Leadership & Communication
- Accountability and Social Sensitivity
- Analytical Skills
- Collaboration
- Critical Thinking
- Negotiation
- Decision Making

Besides offering to experience the Personal Growth Lab, Workshops on CV writing and Career enhancement discussions are offered.

**Experiential Learnings & Workshop** Offered

- Personal Growth Lab
- CV Writing
- Career Enhancement Discussions
Teaching Pedagogy

The teaching pedagogy will be live sessions by the SPJIMR faculty along with the support from the EdTech Partner – Coursera.

The students will be provided with pre-recorded videos explaining the basics, interactive sessions with the faculty, case studies, simulations tutorials and peer learning through group work sessions.

They would have continuous evaluations through graded and ungraded quizzes, assignments and end-term exams.

PGDM Online will help students develop an overview of all functional areas in a holistic manner giving them the unique flexibility to choose a preferred mix of courses depending on their career goals, in the second year.

The course architecture will help participants excel in business decision-making that has an impact spanning multiple departments. They would receive cutting-edge management education along with horizon-expanding experiences that will accelerate their growth as innovative leaders.

Apart from state-of-the-art design of the curriculum, the participants will work on Projects and participate in Science of Spirituality (SoS) exercises in their journey towards self-mastery.

In addition, participants will attend the Personal Growth Lab (PG Lab).

You will be working in groups in a monitored platform provided by the institute and groups are allowed to shift the timings of these interactions to any slot convenient to members increasing flexibility of the programme.
Programme Structure

The two-year PGDM Online programme is approved by the AICTE. This programme is on similar lines of programme offered on-campus.

The programme gives an opportunity to working professions who would like to avail of the opportunity of post graduate education from a premier Business School, without taking a break in their career or changing their location.

The programme is an immersive experience with learning hours spread across two years.

</tr>
<tr>
<td>• Marketing Strategy</td>
<td>• Cognitive Automation leveraging RPA &amp; Chatbots</td>
</tr>
<tr>
<td>• Digital Marketing/Brand Management</td>
<td>• Block chain for Business Applications</td>
</tr>
</tbody>
</table>
There will be three on-campus immersions of 5 days each at SPJIMR's Mumbai Campus. The campus immersions will be planned in Term II, III and V.

The campus immersions are subject to the conditions that prevail at that point of time. The sessions during the on-campus modules are included in the total number of sessions offered per course. The immersion will include academic sessions, workshops, interactive exercises and guest sessions.
International Immersion

The three-week international immersion module provides its participants with the opportunity to learn about evolving global business practices, cross-cultural nuances and the relevance of knowledge sharing. The programme collaborates with premier international business schools to offer its participants world-class learning experiences.

The continuously updated module offers a customised curriculum which includes courses in Business Analytics, Finance, Information Management, Marketing, Operations & Supply Chain, and General Management track. The International Immersion is optional for the participants. They will join participants of a full-time programme for the immersion.

Assessments and Evaluations

The programme follows the Continuous Evaluations Process. For each course, there are multiple mechanisms of evaluations involved. There will be a mix of graded and non-graded assignments, quizzes, group assignments, and End Terms Examinations.

Student Testimonial

“Being a young professional, I was on the lookout for opportunities to strengthen my profile.

Enrolling for SPJIMR’s newly launched PGDM Online programme has been one of the best decisions.

What we see in a traditional MBA classroom, whether they are group case studies, guest lectures, workshops, networking, etc. are all getting done and delivered in the online space.

Moreover, SPJIMR’s reputation and legacy also promises to ensure top-notch high-quality education as well which, we from the first batch are getting.

We have access to lecture recordings, recorded videos explaining concepts and lot of reading material though the Coursera platform which is easy to navigate.

The classes are very interesting with a diverse cohort, rich learnings from faculty and able support from the teaching assistants.

In a nutshell, it’s a very dynamic programme, two years of very exciting journey which aims to make a solid stand in the whole education space.”

Nongmaithem Galen Singh
Analyst,
The Bank of New York Mellon,
Pune
Batch 2023-2025
"I have gained valuable insights and formed meaningful connections with students worldwide. While managing work and studies is a challenge, the programme has equipped me with essential time management and multitasking skills. I’m grateful for the opportunity to learn and grow in such a dynamic environment"

**Ishita Samant**
*PGDM Online, Batch 2023 – 2025*

"Enrolling in SPJIMR’s PGDM online course has been one of the most significant decisions for me. With an aim of a career shift from the clinical aspects of medicine to a managerial role in the field, this course has been just the right scaffold. Living up to its reputation, SPJIMR provides learning beyond the classroom, with its holistic pedagogical approach it fosters immersive learning, case scenarios which one as a working professional, can resonate with, making the learning process both enriching and enjoyable.

One of the key highlights for me is the heterogeneity of our cohort, I get to network and interact with people from different walks of life, different thoughts, experiences and countries which, I believe, is important for invaluable insights and perspectives and enrichment. The other key highlight for me is that the course is industry relevant and has been taught by the masters of their fields, who push us to think beyond the realms. It has been a life changing journey so far and I can’t wait to see what the future holds."

**Parima Kaloti**
*PGDM Online, Batch 2023 – 2025*

Merit Awards

Based on the overall academic performance, the top 3 meritorious participants will be awarded with the DTT (Dean’s top three) Certificate

Award of Diploma

Students shall be awarded the “Post Graduate Diploma in Management - Online” upon successfully meeting the academic requirements of the programme as set by the Academic Council of SPJIMR.
Eligibility All applicants of PGDM Online will be eligible to apply for a merit-based scholarship. Based on the overall merit scored in the selection process for PGDM Online, the selected top merit holders will be offered a scholarship of up to 50% of the tuition fee. Amount of scholarship will solely depend on the final score achieved during the selection process by the candidates applying for the scholarship.

Final score is allotted based on the following: Academic qualifications, Work experience, Points scored in Group Discussion round, Any additional qualifications or professional certifications

General Scholarships

Eligibility All applicants of PGDM Online will be eligible to apply for a merit-based scholarship. Based on the overall merit scored in the selection process for PGDM Online, the selected top merit holders will be offered a scholarship of up to 50% of the tuition fee. Amount of scholarship will solely depend on the final score achieved during the selection process by the candidates applying for the scholarship.

Final score is allotted based on the following: Academic qualifications, Work experience, Points scored in Group Discussion round, Any additional qualifications or professional certifications

Scholarship for Women applicants

Women participants will be offered a scholarship of INR 100,000 each on a need-cum-merit basis. The number of scholarships offered will depend on the total number of students in the 2024-2026 batch and the number of applications received for scholarships.

How to apply for scholarships?

- On your selection for PGDM Online programme (subject to fulfilling eligibility and selection criteria), you can apply to be considered for the scholarship by filling the scholarship form provided by SPJIMR on request, subject to the terms and conditions.
- A panel will evaluate the applications to validate the merit / need-cum-merit (for women scholarship) criteria.
- Based on panel recommendations, select participants will be offered the scholarships as per their merit.

Disbursement of scholarships

- General Scholarships - The scholarship amount will be adjusted in the fee for the last 2 terms for the participants who are selected for scholarships.
- Women Scholarships - The scholarship amount of INR 100,000 for eligible women applicants will be adjusted towards the 6th instalment of the tuition fees.
