

Post Graduate Programme in Management

18-month AICTE-approved programme

SPJIMR's Post Graduate Programme in Management (PGPM) is an 18-month AICTE-approved programme. The programme commences with an online module for 2 months, an on-campus residential module for 12 months, followed by 4 months of Industry and International Immersion.

/ ABOUT SPJIMR

S.P. Jain Institute of Management & Research (SPJIMR), a part of Bharatiya Vidya Bhavan, one of India's leading business schools, has been ranked consistently among the top ten in India. SPJIMR was ranked among the top 4 Indian business schools and Number 1 Private B-School by MBA Universe 2023

It has been awarded the highest "pioneering school" rating for its innovative community-based actions, environmental and socially responsible culture and governance, and strong teaching focus on responsible leadership.

SPJIMR has built on its unique strength of imparting high-quality management education through pedagogic innovations, encouraging business-academia interface and emphasizing on its twin objective of influencing practice and promoting value based growth. It has been accredited by AACSB which brings it at par with the best professional institutes of the world.

/ PGPM AT A GLANCE

Recognising the need of industry for 'Thought Leaders' at middle and senior management levels, SPJIMR has successfully crafted Post Graduate Programme in Management (PGPM). The programme leverages on the participants' past experiences and aims to create and nurture value-based future leaders. PGPM is for working professionals with a minimum experience of five years and seeking an accelerated growth in their careers.

/ INNOVATIVE PEDAGOGY

At SPJIMR, our unique PGPM program focusses on enhancing the managerial and functional capabilities, thereby making the students a complete professional, ready to take up leadership positions.

Focus is laid on honing the skill-sets with a unique three-pronged approach of Knowing (Knowledge), Doing (Skills) and Being (Attitude). The students benefit from our globally acclaimed and award winning value based leadership modules like Personal Growth Lab, Development of Corporate Citizenship (DOCC), Design Thinking and Science of Spirituality (SOS).
