ABOUT

PRME India Chapter and i5 will be hosting a poster display event on the theme: 'Innovations in Pedagogy: sharing experiences'.

The Impactful Five (i5) is motivated by two-time sensitive opportunities: the ability for business schools to adjust to the current global challenges including social, economic, and ecological issues by shaping a new style of responsible manager who has the skills to lead more holistically, and the need to increase the relevance of business school education.

The poster display is a part of the PRME India Chapter Meet happening on the 7th of December, 2023 at S P Jain Institute of Management and Research, Mumbai. We see it as an opportunity to learn from each other.
