

MANAGEMENT DEVELOPMENT PROGRAMME

LeadHER forward: Women in leadership programme

Overview

The programme is designed to be a catalyst for each participant as it taps into inner strength and builds on influence and positive change in oneself and others.

It helps one understand themselves and learn strategies to achieve their purpose. An experiential approach to resolve an immediate and significant interpersonal challenge facilitated by group coaching.

Helps create a personal development plan with specific strategies to strengthen leadership capacities.

Who Can Attend?

Women employees from junior to senior management

Key Topics Covered

- Navigating self in an ambiguous, uncertain, complex world
- Understanding oneself to build a personal vision
- Enhancing emotional intelligence to build effective relationships
- Influencing change through the realisation of personal power
