

Effective Negotiation Skills for Business Performance

SPJIMR Delhi Campus | November 19 & 20, 2026

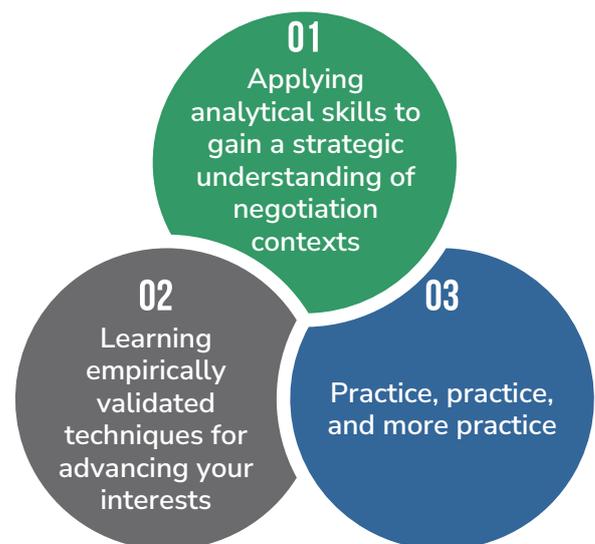

Programme Overview:

We negotiate every day to make our way through life. We need cooperation and collaboration from others in order to succeed and to build a useful network we need tact, personability and negotiation skills. This course will help participants understand their own underlying styles of negotiations, the types of negotiations, the techniques and strategies of negotiation and build their competency to deal in conflict situations. The sessions will bring in experiential learning through the use of exercises, mock negotiation and role-plays Peer learning and feedback would play an important role as well.

In this programme, you'll learn how to transition from a capable deal maker to an expert negotiator and how to create value for yourself and your organization. The goal of successful advanced negotiation is not merely "closing a deal" but arriving at the best possible agreement. Going beyond basic negotiation tactics, this highly interactive program delves into strategic planning and the systematic thinking that exemplifies expert negotiators.

Great negotiators are made through thoughtful, evidence-based skill building. Thus, the course is structured around:

You will have an opportunity to practice the acquired knowledge in hands-on activities such as scenario-based discussions, case studies and simulations in order to gain relevant skills.

PROGRAMME OBJECTIVES:

- Understand the concepts of negotiations, approached and structures
- Value the importance of information, interests, priorities, perspectives and leverage.
- Highlight the emotional and mental aspects of negotiation with the ethical and cross-cultural considerations.
- To prepare communication, strategy and teamwork; structuring the process
- How to gather useful and accurate information before and during negotiation. How to determine what to reveal when, and how to frame it.
- Effective speaking, facilitating, and problem-solving
- Personal Awareness: Noticing and adjusting your thinking patterns, emotional responses, speaking and non-verbal presence, and patterns of interaction. Being alert to what other people are thinking and feeling. Expanding your repertoire of approaches.
- Hands-on experience in negotiation, conflict resolution, and mediation through roleplays, exercises.

Programme Pedagogy:

The course delivery comprises a combination of lecture, case and exercises. The classroom learning involves concept discussions, case analysis, group-based learning and concept presentations.

Who Should Attend:

This programme is designed for middle to senior level management.

PROGRAMME DIRECTOR

Prof. Vineeta Dwivedi

Associate Professor,
Organisation and
Leadership Studies

Dr. Vineeta Dwivedi is a communication expert with over 25 years of experience across media, academia, and industry. She specializes in interpersonal, strategic, and leadership communication, and teaches courses on negotiation, emotional intelligence, business writing, digital marketing, and critical thinking in the age of AI. She has also pioneered courses like Digital Democracy and The Use of AI in Communication to reflect the evolving communication landscape.

Her teaching integrates academic theory with real-world application, helping students and professionals navigate communication challenges with clarity, empathy, and impact. She actively mentors students in building confidence, career readiness, and communication skills, and has launched several student-led clubs focused on leadership and industry preparedness. Her research explores media trust, fake news, digital discourse, gender and communication, and the role of AI in human connection. She contributes to academic and media publications and leads digital strategy initiatives for institutional platforms.

Before academia, Prof. Dwivedi worked as a journalist and broadcaster with the BBC in London and served as CEO of KSS Ltd. She held leadership roles in business development, digital radio, and content partnerships across global and Indian markets. She has designed and delivered executive training for organizations such as P&G, BP, Tata Group, GAIL India, NDDDB, the Indian Army, and ICAI. Her workshops focus on Leadership Communication, Executive Presence, Storytelling, Negotiation, Emotional Intelligence, and Reputation Management. With her interdisciplinary expertise and industry insight, Prof. Dwivedi brings a unique blend of academic rigour and practical relevance to communication education and leadership development.
